

Confirmation 2010 – 2011

All registered parents of Immaculate Conception students who are ready to enter Confirmation I or will be entering Confirmation II should have received important information and registration forms in the mail.

The registration forms for the 8th grade summers session, Confirmation I, and Confirmation II are all available on this website.

Students that did not attend 8th grade Faith Formation this year must complete the summer course in order to be eligible to register for the IC Confirmation program.

Registered members of the parish may download forms and send back to the Youth Office if their forms have been misplaced or were not received.

Parents who are not members of Immaculate Conception but would like to have their child join the IC Confirmation program must call the IC Youth Office for information at 637-2375.

Registered members of the Parish have first priority.
