

The Approximate Cost to Students involved in the Two Year Immaculate Conception Confirmation Program

The fee for our two year program is \$100.00, (\$50.00 for each year), that must be handed in with the first year registration form. This fee includes (class materials, Catholic Youth Bible, supplies, teacher/student curriculum, pizza party, guest speaker fees, and this year new Confirmation class t-shirts).

Additional costs that occur during the two year program are:

- \$15.00 for First Year Confirmation Students going to the Samaritan Center. In the past we had asked students to buy a list of groceries to bring, but we discovered it would be more economical for families to donate \$15. We can purchase the required food items directly from the Samaritan Center. Most families were paying approximately \$30.00 in groceries for their child to donate to this service project.
- For Second Year Students, their service project is at St. Vincent DePaul ministering to the refugee children. We ask they donate chips and/or fruit or drinks for the kids.
- Each class adopts a family for Christmas and determines as a class what they are going to purchase for certain family members.
- Both classes are asked to bring in \$10.00 for their retreat at Christ the King Retreat House. This helps the Youth Ministry office offset the cost for the facility, lunch, snack, and guest speaker.
- We also ask each class to be responsible for one snack during the year. This usually consists of one family bringing either the drink or snack. Each family usually brings in 2 dozen bottles of water/juice, or 2 dozen bagels, muffins, cookies...whatever your preference.

If this is a hardship for any family please contact the Youth Office at 637 – 2375.

Please be sure to give the Youth Office a copy of your child/children's Baptismal certificate as soon as possible.
